People below Poverty Line in different States in India

262. SHRI JOY NADUKKARA: Will the Minister of WELFARE be pleased to state:

(a) the percentage of people below poverty line in the different States in India;

(b) when it was fixed that the income demarcating the poverty line is Rs. 11000/- per year; and

(c) whether Government have any intention of refixing it, considering the raise in the cost of living?

THE MINISTER OF WELFARE (SHRI BALWANT SINGH RAMOOWALIA): (a) State-wise percentage of people below the poverty line is estimated on the basis of quinquennial survey on household consumer expenditure (NSSO). The latest estimates of State-wise poverty based on the quinquennial survey held in 1987-88 are enclosed in as Statement (*see* below)

(b) The poverty line of Rs. 11,000/- per family per year was fixed for rural areas for the base year of the Eighth Five Year Plan (1991-92).

(c) The poverty line is updated continuously by the price rise implicit in the private consumption expenditure of CSO.
